The School Run4Fun Colour Explosion will be held on **May 1st, 2018**.

The money we raise will be used to help pay for the incursions at the school for all students this year.

Our goal is to raise \$2500.00 to go towards this.

Colour Powder

The colour powder used in our event has been sourced direct from India, the home of Holi Powder. It is made of high quality corn starch and permitted food colours. It's non-toxic, biodegradable, skin safe and environmentally friendly. Toxicological Risk Assessment and ingredient listings can be obtained from the School Office upon request. Students with asthma are advised to be careful in their decision to participate.

There will be an option to participate in the run only and not the colour explosion.

***We do ask that you bring a spare change of clothes to school, most importantly a plain white shirt as the students will be covered in powder from head to toe.**

Student Profile Page

Create a Student Profile Page at www.myprofilepage.com.au which is unique to you.

**Thank you in advance for your participation, and get ready
for a BLAST OF COLOUR!**

Happy fundraising!
